Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 913182 (ORR# W005825).

Dallas Area Rapid Transit ("DART") received a request for internal affairs investigations for a named DART officer during a specified time period. DART states it is releasing some of the requested information. DART claims the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions DART claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by the Medical Practice Act ("MPA"), subtitle B of title 3 of the Occupations Code, which governs release of medical records. Section 159.002 of the MPA provides, in relevant part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in

Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004. This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). We have further found when a file is created as a result of a hospital stay, all the documents in the file referring to diagnosis and treatment constitute physician-patient communications or “[r]ecords of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician.” Open Records Decision No. 546 (1990). Upon review, we agree the information submitted as Exhibit C constitutes records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that were created or are maintained by a physician and information obtained from a patient's medical records. Accordingly, DART must withhold Exhibit C under section 552.101 of the Government Code in conjunction with the MPA.

Section 552.108(b)(1) of the Government Code excepts from disclosure the internal records and notations of law enforcement agencies and prosecutors when their release would interfere with law enforcement and crime prevention. Gov't Code § 552.108(b)(1); *see also* Open Records Decision No. 531 at 2 (1989) (quoting *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977)). A governmental body claiming section 552.108(b)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See* Gov't Code §§ 552.108(b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706. Section 552.108(b)(1) is intended to protect “information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State.” *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.). This office has concluded section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.,* Open Records Decision Nos. 531 (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 of the Government Code is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.,* Open Records Decision Nos. 531 at 2–3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

DART states the information submitted as Exhibit B, if released, would interfere with law enforcement or prosecution of crime. DART argues release of the duty roster “would reveal weaknesses in the methods used to staff DART-owned properties with law enforcement.” DART further argues release of the information would “place police officers in danger if the public were given access to how many officers were working each train on any given day.” Based on these representations and our review, we agree the release of the

information at issue would interfere with law enforcement. Accordingly, DART may withhold Exhibit B under section 552.108(b)(1) of the Government Code.

In summary, DART must withhold Exhibit C under section 552.101 of the Government Code in conjunction with the MPA. DART may withhold Exhibit B under section 552.108(b)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
